The woman is sitting or kneeling in front of him, looking up at him. A large, stylized '\$20' price tag is overlaid on the bottom right of the illustration. The background is a textured, stippled pattern.

# Sunday Auto Tour Includes Points of Interest On and Near Lake Erie

Probably every Marine Sunday driver enthusiast has planned one or more trips to Lake Erie this spring and summer. Mrs. D. V. Galagher, secretary of the Marine Auto Club, has prepared a routing to the lake which brings the driver from Marion and vicinity within easy distance of a number of interesting points on and near the lake.

The routing not only provides back roads for the driver, but also includes a number of points of interest. The trip is approximately 150 miles.

To get to the head of the lake, the driver should take the main road from Marion to Sandusky, following the shore of the lake. The road is well paved and the scenery is beautiful. The driver should stop at the head of the lake, where there are many points of interest, including the old fort and the lighthouse.

From this point, the driver can follow the main road to Sandusky, where there are many points of interest, including the old fort and the lighthouse.
